

We need your help to support adults and children with disabilities.

October 25, 2015

Dear Sir or Madam,

For the past 35 years, Camp Able at Coronado has offered a unique beach-based day camp experience for thousands of children and adults with disabilities in San Diego County. We are dedicated to providing our participants with a quality camp at a low cost. In order to do so, we are hosting our annual fundraising gala this February 27th, 2016, at the Coronado Community Center. The gala will include silent and live auctions with the intent to raise funds needed to support our campers next summer.

We are contacting you to request a donation for this year's auction. This donation will attract substantial interest from our gala guests, provide advantageous publicity, and have a direct, positive impact on the lives of our campers. Additionally, all donations are acknowledged in our auction program.

While you may have requests from other organizations, we ask that you consider ours. Camp Able at Coronado was the first summer camp in the San Diego area dedicated to serving persons with disabilities. As we begin our 36th year, we continue to support adults and children with disabilities in our community. For many of our participants, Camp Able is the only environment in which they have safely and successfully participated in outdoor recreation activities designed to meet their individual needs.

One hundred percent of the money raised is returned to Camp Able at Coronado for camperships and operations. We are a nonprofit, 501(c)(3) Internal Revenue Service organization and our Federal Tax Identification Number is 330868418.

If you have any questions or would like more information, we would appreciate the opportunity to speak with you. Thank you for your time and consideration.

Sincerely,
Jen Lansford, Camp Director
