**“Camp Able: Enhancing the lives of persons with disABILITIES  
through outdoor recreation and play!”**

In its 38<sup>th</sup> year, Camp Able at Coronado continues to offer unique and exciting camper experiences in a beach-based aquatic day camp. Our campers participate in a variety of fun and engaging activities, including sailing, canoeing, swimming, boogie-boarding, water play, crafts, singing, games, and campfires. Camp Able at Coronado enables individuals with diverse physical, emotional, and intellectual needs to share in the delight of experiences that might otherwise seem unreachable. It is the dedication, drive, and efforts of our supporters, staff, board members, and volunteers that make these opportunities possible.

Camp Able at Coronado welcomes and serves campers from across San Diego County and beyond. Campers are offered choice in their daily activities with encouragement to engage in ways that are fulfilling and innovative. Each day at Camp is planned with the goal of highlighting the individual camper’s abilities and to test those abilities in a highly supervised environment. Through this focus, our campers personally discover what they are capable of and increase the self-esteem and self-confidence necessary for exploring challenging pursuits in all aspects of life.
