

SAIL INTO SUMMER

To Benefit

Sponsorship Opportunities

We humbly invite you to partner with Camp Able at Coronado by becoming a sponsor at our 2025 benefit “Sail Into Summer”. This is a unique opportunity to market your brand while making an impact on the lives of hundreds of campers and their families.

What: *Sail Into Summer to Benefit Camp Able*, is the theme of our 2025 annual fundraiser. Attendees will enjoy a night of music, drinks, food, and an auction hosted by Mark Grant, retired Major League Baseball starting pitcher and current color commentator for the San Diego Padres’ television broadcasts.

When: February 1st, 2025

Where: Coronado Cays Yacht Club

Who: Proceeds benefit Camp Able at Coronado. For over 43 years, Camp Able has been dedicated to providing a summer beach camp experience without the barriers of disability.

Why: Every year, Camp Able services hundreds of children and adults with disabilities in San Diego County. The majority of our campers are low income, often burdened by the cost of expensive therapies for their conditions and do not have the funds for recreational activities. We pride ourselves on never turning down campers due to inability to pay. All of the proceeds from this event will be used to keep costs low and provider “camperships” to those in need.
